SILENT AUCTION

This year, our silent auction will be completely online! The auction is brought to you by Karl Campbell (CAI, AARE, TX 12022) Auctions and Realty. Peruse all of our terrific items donated by various Chamber member businesses through the links at www.lubbockchamber.com and also at www.lubbockfunclub.com

We plan to launch the auction about two weeks before the Expo, and it will run

through late afternoon on Expo day May 10th, so you have lots of time to watch and bid on that perfect item! Auction items will be added in the order they are received.

And it's not too late to donate to the auction! For more information on becoming an auction donor, please contact the Chamber at 806.761.7000.
